ByteSpeed®

YOUR *COMPLETE*
IT RESOURCE

ABOUT US

ByteSpeed has been a leading IT solutions resource since 1999. We provide customized computer hardware, enterprise networking solutions, and professional IT services nationwide.

20th ANNIVERSARY 1999 - 2019

PERSONALIZED SERVICE & SUPPORT

We have a proven track record of excellent customer service, offering a more personal level of service and support than larger vendors. Our support team is also located in-house, enabling you to speak with the same tech every time you call!

"TRY A BYTE" TODAY!

ByteSpeed offer a 30-day risk-free evaluation program that allows you to test our products and experience our outstanding support first hand - no strings attached! We'll custom build a machine to your specifications and ship it to you at no charge.

YOUR COMPLETE IT RESOURCE

In addition to custom-building computer hardware, ByteSpeed also provides enterprise networking solutions and professional IT services in all 50 states across the nation.

INDUSTRY LEADING WARRANTIES

ByteSpeed's goal is to build machines that will outlast their warranty. Desktops, servers, and thin clients/zero clients have a 5-year warranty. Laptops have a 3-year / 2-year / or 1-year warranty (depending on the model), plus 1-year on the laptop battery. Monitors have a 3-year warranty.

STATE AND NATIONWIDE CONTRACT EXPERIENCE

ByteSpeed has years of experience with large quantity orders. We are on a number of nationwide contracts, including NASPO ValuePoint, TIPS/TAPS, PEPPM, BuyBoard, and dozens of state and local purchasing cooperatives.

INFRASTRUCTURE PARTNERS

We strategically pick infrastructure partners whose products and services inspire and enable us to do far more than we could alone, including Juniper, Ruckus, Barracuda, Cachebox, and many more.

TECHNOLOGY PARTNERSHIPS

ByteSpeed has been an Intel Platinum Technology Provider for 16+ years. ByteSpeed is also a Top 25 system builder for Intel, and we are one of the top Direct Microsoft OEM resellers.
