

Work and Learn in Comfort

Get Smart, Stay Healthy

With Ergotron, virtually every area of the campus is covered, from administrative offices, libraries, study labs, and classrooms to distance learning applications and dorm rooms. Instead of faculty and students stuck hunched over their monitor or laptops, let's get them moving and standing more by introducing healthy computing solutions. All our mounts offer premium adjustability and ergonomic comfort, creating the platform for healthy, comfortable computing whenever and wherever it occurs.

Sit-Stand Desk Mount System fits most any space while providing personalized ergonomic positioning. This stand-up desk system enables complete control of focal distance and the position of the keyboard relative to the monitor screen.
