# **Sponsor and Exhibitor Prospectus**

# **UBTech 2016**

Engage with your key prospects and customers from hundreds of campuses nationwide.

I exhibit at UBTech year after year because at this show we meet the higher ed leaders who make decisions, and that leads to new business. UBTech is a can<sup>1</sup>t-miss event in the higher ed market.

– Mark Villinski, Director Field Marketing, Kaspersky Lab

UBTech is a unique event that connects us with the right people. We're consistently impressed with the level of contact and quality of interactions.

Gil Rogers, Director of Enrollment Insights, Chegg Enrollment Services

Want hundreds of face-to-face meetings with key campus buyers? Get them at UBTech 2016.

- Presidents and Vice Presidents
- CIOs
- CTOs
- CFOs
- IT and AV Directors and Managers
- Provosts and Chief Academic Officers
- Chief Business Officers
- Academic/Administrative **Computing Leaders**
- Network Directors and Managers
- Media/Library Directors and Managers
- Technologists from Every Department
- Chancellors
- Marketing, Recruitment, Enrollment & **Retention Directors and Managers**
- Registrars
- Student Services & Student Success Directors

We participate in all of the major education technology conferences, but this is our favorite. This is the one from which we get the most.

> -Sean Brown, Senior Vice President, Sonic Foundry

# **UBTECh** Shaping the Future of Higher Education

# Why UBTech?

Because at UBTech attendees generate new business and build new partnerships. UBTech attendees are leaders and innovators, and they're looking for new solutions.

Our experience sponsoring, exhibiting and participating at UBTech has been overwhelmingly positive. It's an environment that allows for meaningful engagement and conversations between sponsors and attendees. UBTech will continue to be on our list of 'must-participate' events.

- Jeff Chapman, Vice President, Collegis Education

## **UBTech is a Powerful and Profitable Investment**

#### Reach the higher ed buyers you're looking for:

solutions and services.

UBTech attendees say they are now more likely to purchase a higher ed solution because they saw it in the UBTech exhibit hall.

### **UBTech attendees find success and effectiveness:**

Nearly 90% of UBTech attendees said they gained actionable information to bring back to their campus.

attendees say that their decision to attend UBTech was a good one.

#### June 6-8, 2016 The Mirage, Las Vegas All-inclusive exhibit packages starting at \$4,150

## **Speaking Opportunities**

- Make an indelible impression and capture additional qualified leads with a special speaking presentation at UBTech 2016. Limited availability. Competitive cost.
- Solution Sessions: 40-minute breakouts in main program.
- Executive Breakfast Briefings: 60-minute morning meetings with targeted attendees; food & beverage included; vendor choice of presentation format.

The group of vendors at UBTech was great. Usually I would only visit an exhibit hall once, but I returned to the hall at UBTech multiple times to get more information.

- Wayne Jones, Director of Instructional Design and Assurance of Learning, Sam M. Walton College of Business, University of Arkansas

## Increase your Impact

- Sponsor UBTech: Silver, Gold, and Platinum levels
- Custom Sponsorships: Key Card, Keynote, Reception, Espresso Bar
- Category Sponsorships: Digital Signage, Projector, Wireless, Room Drop, Charging Stations
- Conference bags (sold)
- Badges (sold)
- Lanyards (sold)

UBTech provides great networking opportunities with vendors, and ample time to discuss solutions. I found products at UBTech that were of extreme interest to me and my university, and was able to gain information that has influenced my buying decision.

> — James Buyea, ClO, SUNY Jefferson

#### Call or email contact below for info and pricing.

I much prefer the exhibit hall experience at UBTech to other conferences because the specific higher ed technology focus makes for better opportunities to meet with company representatives one-on-one.

- Teri Ault, IT Support Specialist, Penn State University
